

July 2007

Dear Jeremy,

I'm sorry it has taken me so long to finally write this letter. I want to let you know how satisfied I am with the work you did on my house. Although my situation was unique because everything was being coordinated and in some cases "shipped" from New Jersey - you gave me a level of comfort.

Your company is one of the most professional that I have encountered and your record keeping is excellent. It was helpful to be able to communicate via email. You were very aware of certain deadlines and time constraints that were particular to my situation. I would also like you to know that I think your subcontractors are top rate. The flooring contractor absolutely transformed my hardwood floors. I was also very impressed with how neat and clean you all worked. I wish you much success and look forward to working with you again in the future.

Sincerely,  
Judy Ammons
