To Whom It May Concern:

Our architect recommended Freyenhagen Construction to us and we were so pleased because Jeremy called us back that day!

We really appreciated the fact that Jeremy didn't try to change our ideas, but helped us develop the ideas that we already had. Our remodel turned out so much better than we ever dreamed possible!

Customer service was excellent. If we had a problem, they came immediately and fixed it. Communication was so easy, Jeremy was always willing to talk to us. We never had to wait long for a call back if Jeremy wasn't available to take our calls.

Everyone was so honest, punctual and cheerful. Jeremy and his crew actually made our remodel FUN. We felt that everyone actually cared about our project. There was a great deal of pride in workmanship in every aspect of our project.

We would gladly recommend Freyenhagen Construction to others because Jeremy and his crew are honest, courteous, cheerful and just plain nice people.

Sincerely,

Al & Trish Cunningham
