

Jeremy,

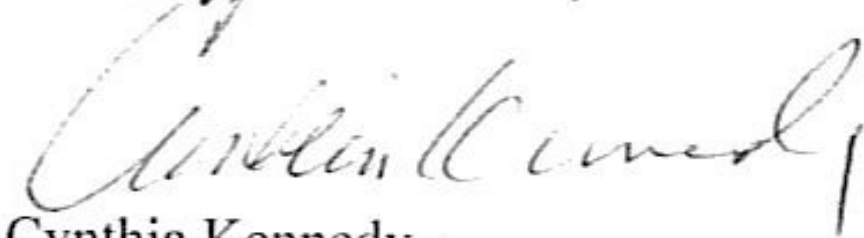

I gave you a call after hearing many glowing recommendations about your work.

I had fun brainstorming with you on how to turn my vision into a reality. I had an idea to lay teak wood flooring squares in the bathroom and with some thought and ingenuity, the floor turned out beautifully. I appreciated your willingness to try new ideas.

I felt that you were always readily available to answer my questions. The quality of the workmanship was excellent. My basement turned out better than I had thought possible!

Thank you for all your hard work with my remodel.

Sincerely,
