To Whom It May Concern:

We gave Jeremy a call after receiving one of his postcards in the mail.

We had a bathroom that was too cramped. Jeremy helped come up with a plan to remove a wall so that the bathroom could be enlarged.

We were impressed with how neatly everything was cleaned up at the end of each day. We also are very happy with how the back door and deck turned out. They are such an improvement!

We were always kept informed about the progress of the project, which was very much appreciated.

We felt that everyone was very competent. We would recommend Freyenhagen Construction to anyone with a remodeling project. If we need something done at a later date, we will call Jeremy again!

Sincerely,

Phillip & Sharon Nichelson
