Freyenhagen Construction  
P.O. Box 20620  
Billings, MT 59104

Dear Jeremy,

I'm so sorry you weren't able to make it to the barbeque. Your daughter and all were so pleasant and helpful. The beautiful white plant is the centerpiece for my new table and it looks beautiful. Thank you very much.

I cannot sing your praises loud enough! You certainly know how to hire the best!

I have had many people here for lunches, dinners and meetings. I wish you could hear their comments as they enter the room. The "ohhh's" and "It's so beautiful!" What a gem you have in Ed and Dan and all the crew that was here.

The room is more beautiful than I expected. I am so happy here. I really have to force myself to leave. The views from all the windows are spectacular. The fireplace and bookshelves are lovely. I've used only the gas fireplace so far. I'm sure my heating bills will diminish.

I could rave on and on, but then this evaluation might take several more months to mail! I would certainly recommend (and have) you to anyone that needs construction work done.

Please thank everyone for me. I am truly grateful to all of them. I think sometimes I must be in heaven already.

God bless you all,

Charlotte Padon
