To Whom It May Concern:

Recently, we hired Freyenhagen Construction to enlarge the deck on our house. Our grandson told us they were the best and we were not disappointed.

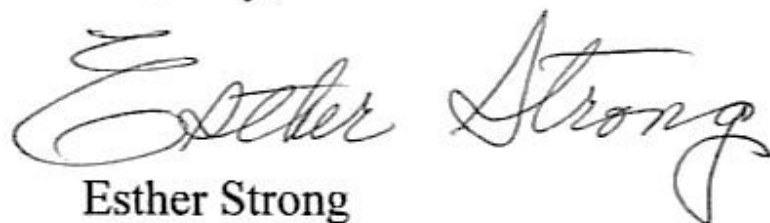

I explained to Jeremy what I wanted to improve and he did the rest. It was wonderful how he took my ideas and uncertainties and made a wonderful deck that I could never have imagined.

The level of customer service was unbeatable. Everyone was so pleasant and professional; they were a joy to have working on my home. They communicated with me very well and I was informed at every stage of the project.

This project exceeded our expectations and we would certainly recommend Jeremy and his crew for any home addition. We were able to keep moving about and they accommodated our life every well.

Thanks to Freyenhagen Construction, we have a beautiful new deck that the whole family can enjoy. Well Done!!

Sincerely,
